# MOROCCO PAVILION COP29

## SIDE EVENTS PROGRAM

### Wednesday November 13, 2024

#### WORLD LEADERS CLIMATE ACTION SUMMIT (WLCAS)

No. SE	Time slot	Title	Organizer
1	09:00-10:10	Climate Impulse: green hydrogen for sustainable aviation	OCP GROUP
2	10:00-11:15	Voluntary carbon market in Africa: what are the prospects, challenges and key success factors?	Caisse de Dépôt et de Gestion (CDG)
3	11:30-12:45	Climate resilience of Moroccan ports	National Ports Agency (ANP)
4	13:00-14:15	Decarbonization Strategy for Industrial Zones	Caisse de Dépôt et de Gestion (CDG)
5	16:00-17:15	Climate finance governance in urban planning strategies	Moroccan Association of Green Economy for the Environment and Climate Justice (GEA-EC-MOROCCO)
6	17:30-18:15	Empowering the Workforce for a Sustainable Future: Integrating Green Skills and Innovation in the Evolving Economy	VIVACITY DEVELOPMENT

### Thursday November 14, 2024

#### FINANCE, INVESTMENTS AND TRADE

No. SE	Time slot	Title	Organizer
7	09:30-10:45	Innovative Financing Mechanisms to promote energy transition and energy efficiency in the MEA Region	Research Institute for Solar Energy and New Energies (IRESEN)
8	11:00-12:15	All in the Service of Smart Grids: Driving Climate Resilience, Renewables Integration & Energy Efficiency	Green Energy Park
9	12:30-13:45	Morocco's local authorities face climate finance opportunities.	Ministry of the Interior (MI)
10	14:00-15:15	Innovative financing mechanisms for better attractiveness of investments in renewable energies in Morocco	National Office of Electricity and Drinking Water (ONEE)
11	15:30-16:45	Migration and Adaptation in the context of Climate Change	National Human Rights Council of Morocco (CNDH)
12	17:00-18:15	"Readiness" preparation grants, a tool for strengthening the capacities of Accredited Entities to access climate finance	Agency for Agricultural Development (ADA)

### Friday November 15, 2024

#### ENERGY, PEACE AND RECOVERY

No. SE	Time slot	Title	Organizer
13	09:30-10:45	Advancing the Power-to-X Economy: The Role of Carbon Capture and Synthetic Fuels in the Energy Transition.	Research Institute for Solar Energy and New Energies (IRESEN)
14	11:00-12:15	Solar PV: the boom in short- and medium-term market opportunities	Green Energy Park
15	12:30-13:45	The role of local authorities in recovery and reconstruction following natural disasters	The Ministry of the Interior
16	14:00-15:15	Positive transformation of local practices through capacity building of stakeholders in energy efficiency, the first lever for decarbonizing the economy	Moroccan Agency for Energy Efficiency (AMEE)
17	15:30-16:45	Green Hydrogen Morocco Offer, a dynamic initiated	Moroccan Agency for Sustainable Energy (MASEN)
18	17:00-18:15	Role of ONEE in the clean energy transition and the decarbonization and competitiveness of the Moroccan economy	National Office of Electricity and Drinking Water (ONEE)

**Saturday November 16, 2024**

No. SE	Time slot	Title	Organizer
19	09:30-10:45	Development of African renewable energy projects within the framework of South-South collaboration	Moroccan Agency for Sustainable Energy (MASEN)
20	11:00-12:15	Key attributes for adaptation metrics: clear identification with climate adaptation, wide applicability, and scalability/ comparability/ Agregability	AAA Foundation
21	12:30-13:45	The imperatives of a just New Quantified Collective Goal (NCQG): Lessons from Morocco and other African countries on why the NCQG must center needs-based adaptation in its sub-goals	AMCDD PACJA MOROCCO
22	14:00-15:15	The role of the African private sector for a just and equitable climate transition	Alliance Coordination Committee
23	15:30-16:45	Combining innovation and tailored business models to achieve sustainability	INNOVX
24	17:00-18:15	International Initiative for the Protection of the Maritime Heritage of the African Atlantic Coast	Assalam Association for the protection of maritime heritage

**Monday November 18, 2024**

No. SE	Time slot	Title	Organizer
25	11:00-12:15	Gender and resilience to climate change: what inclusive adaptation strategies?	Tensift Regional Development Center (CDRT)
26	12:30-13:45	Presentation of the study by Bank Al Maghrib and the World Bank on the assessment of climate risks	Bank Al Maghrib (BAM)
27	14:00-15:15	What funding is available for the adaptation of Moroccan agriculture to water stress?	Moroccan Alliance for Climate and Sustainable Development (AMCDD)

## SIDE EVENTS PROGRAM

Tuesday November 19, 2024

### FOOD, AGRICULTURE AND WATER

No. SE	Time slot	Title	Organizer
28	9:30-10:45	Innovative solutions for a climate-resilient water sector	General Directorate of Hydraulics - Ministry of Equipment and Water (MEE)
29	10:45-12:00	Anticipating and strengthening agricultural resilience in Africa: The crucial role of innovative climate services	General Directorate of National Meteorology (DGMN) & AAA Foundation
30	12:00-13:15	The role of local authorities in promoting new water resources: the case of seawater desalination	Ministry of the Interior (MI)
31	13:15-14:30	Accelerating soil carbon sequestration adoption for people climate and nature	OCP Group
32	14:30-15:45	Direct Access to Finance for Strengthening the Resilience of Vulnerable Ecosystems (Case of Oases and the Argan Biosphere Reserve)	Agency for Agricultural Development (ADA) and the Climate Change Adaptation Project-PACCZO
33	15:45-17:00	Bridging farmer-centered and policy-making approaches for a sustainable agri-food system	AAA Foundation
34	17:00-18:15	Fast adoption of resilient farming practices under Green Generation agricultural strategy (2020-2030) in Morocco: Challenges and opportunities	National Institute for Agricultural Research (INRA)

Wednesday November 20, 2024

### URBANIZATION, TRANSPORT & TOURISM

No. SE	Time slot	Title	Organizer
35	09:30-10:45	Resilience of the road network to the effects of climate change	Ministry of Equipment and Water (MEE)
36	11:00-12:15	Moroccan railway transition to clean energy: Agenda 2030	Ministry of Transport and Logistics (MTL)
37	12:30-13:45	For a Climate-Resilient Development of Moroccan Oases	University Cadi Ayyad / Faculty of Science Semlalia - Marrakech
38	14:00-15:15	Presentation of Eco-solution for recycling and recovery of steel industry waste(by-product) in organic farming (Carbon footprint, global warming reduction, natural resources conservation and climate change mitigation)	University Cadi Ayyad / Faculty of Science Semlalia - Marrakech
39	15:30-16:45	Carbon Footprint Tool for Territories: tool for measuring emissions at the local level	Ministry of the Interior (MI)

Thursday November 21, 2024

### NATURE AND BIODIVERSITY, INDIGENOUS PEOPLES, GENDER, OCEANS AND COASTAL AREAS

No. SE	Time slot	Title	Organizer
40	09:30-10:45	Nature-Based Solutions: Mobilizing Civil Society for Inclusive Adaptation to Climate Change	Tensift Regional Development Center (CDRT)
41	11:00-12:15	Local authorities in Morocco, driving force behind coastal tourism and key players in sustainable coastal management	Ministry of the Interior (MI)
